Currently, I am a member of the Committee for Tokyo 2020 Games, Federation Japonaise d'Escrime (FJE: Japan Fencing Federation) and working, with other members of the Committee, on the preparation of fencing competitions in the coming Olympic Games in close cooperation with the Federation Internationale d'Escrime (FIE: International Fencing Federation) and the Tokyo Organising Committee of the Olympic and Paralympic Games. I am also a veteran epee fencer since almost three years. I started this sport when I was living in France. At that time, I was assigned for a post of the Consulate General of Japan in Strasbourg, one of the overseas offices belonging to the Ministry of Foreign Affairs (Gaimusho). I came back to Japan in October 2017. Since then I am working at the Gaimusho's Head-Quarter and continue various fencing activities such as training for competitions, advising to University student fencers and participating in the National Federation's one.
